DOCKET NO. 2007-196-C - Petition of BellSouth Telecommunications, Incorporated d/b/a AT&T
South Carolina for Review of NANPA NXX Code Assignments in the Clemson Rate Center

Mr. Terreni:

The Office of Regulatory Staff (ORS) has reviewed the above referenced Petition as well as the supporting documentation and finds that the public interest will be served by granting AT&T's Petition. Our examination revealed that the North American Numbering Plan Administration's denial of AT&T's request for additional numbering resources will impair the ability of AT&T to provide services sought by a South Carolina consumer. After consideration of the supporting information and the customer impact, ORS does not oppose the relief sought by AT&T through its Petition.

Sincerely,

P. Mak Moore
Telecommunications Specialist
Office of Regulatory Staff
